

UPGRADE

August 30 *thru* September 2

EXCITING NEW FEATURES

coming to a **WEOKIE** *near you!*

What You Need To Do NOW!

To be ready for this exciting upgrade coming to all WEOKIE accounts, be sure to update your information now. It's important that we have your correct mailing address, telephone numbers, and email address so you don't miss out on critical information. Stop by any WEOKIE branch or give us a call to update your information.

What Is Getting Upgraded?

WEOKIE's online and mobile banking systems, as well as our internal banking system, will be upgraded to better serve our members. We are working hard to bring you the best banking experience whether it be inside our branches or banking on a mobile device. The new systems will bring together a wide range of upgrades, access to new products and features, and create a more efficient member experience.

A Few Highlights Coming Soon... (Upgrades occur August 30 - September 2)

NEW INTERNET BANKING SYSTEM

- transfer funds to accounts at other institutions
- take advantage of a personal financial management program
- add additional users with defined usage
- expanded alert capabilities

NEW MOBILE BANKING

- added convenience of facial and fingerprint recognition
- transfer money to other WEOKIE accounts instantly

PERSON TO PERSON PAY

Request and receive money to and from anyone directly through your mobile device using your email address (This feature will not be available with the launch of the new systems but will follow soon after.)
